

"WE PROVIDE VALUABLE SERVICES TO OUR CLIENT BY UNDERSTANDING THEIR DATA AND COMPILING ACTIONABLE REPORTS. CLICDATA SUPPORTS OUR ACTIVITIES."

Daniela  
Co-founder at BRM Consulting Services

## Supporting Expert Services

---

BRM Consulting has been looking for an additional BI solution to add at the product portfolio, this tool should provide a high-quality graphic interface, compatibility with mobile devices and great usability without requiring a large investment. Based on this requirements BRM consider ClicData as the perfect option. "We find it an easy to use solution, with advanced features and the best price-quality relation to meet the customers' needs." says Daniela, Co-Founder of BRM Consulting Services.
