

“WE PROMOTE PROPER BUSINESS MANAGEMENT FOR THE STARTUPS IN THE REGION. CLICDATA HELPS THEM FOCUS ON THEIR BUSINESS WHILE PROVIDING INVESTORS AND PARTNERS THE VISIBILITY THEY NEED.”

Sébastien  
Innovative Project Manager

## Foster Biotech Startup and Innovation

---

We are providing local start up in the Bio health industry with a full package to help them get their business plan together and eventually get funding. ClicData is now part of this package and really helps them especially with its easy visualization and sharing capabilities. Start ups now have a way to quickly compare their actual against budget and many more KPIs, making it even easier for us to support them in their growth.

## About Eurasanté

---

Located in the North of France, Eurasanté is an agency specialized in helping and supporting entrepreneurs in the health sector to grow their innovative companies & ideas. (<http://www.eurasante.com/>)
