

“UPDATING AND PUBLISHING OUR DASHBOARDS TO OUR CLIENTS WITH CLICDATA HAS SAVED US LOTS OF TIME – OUR ABILITY TO PRESENT DATA THAT WAY HAS CERTAINLY SEPARATED US FROM OUR COMPETITION”

Anne
Head of Operations at FDS Consultants

Efficient reading of live care statistics

We had literally 100,000's of excel lines that we needed to condense and provide to our commissioners in a way that made sense. We were using excel to dashboard but needed live updates and interactive elements. Other dashboard providers were simply too expensive – ClicData has the right service at the right price.

About FDS Consultants

FDS Consultants is an NHS Business Partner based in England who manages dental referrals from primary care to secondary care. The goal is to process referrals to make sure that patients get to the right place at the right time for the right care.
