

1. CHALLENGE

Keeping staff informed about workload at all times

This VP wanted to display pending work to all his staff members in the pharmacy.

Problem: Wanting to improve staff productivity, he sought to eliminate their frequent need to log on to see what pending tasks need to be completed.

2. RESULTS

Pharmacy operations **streamlined!**

3. EXPERIENCE

Rick, VP of Ancillary Services
@ NaphCare

"I would highly recommend ClicData to anyone who would like a cost effective, robust BI / Dashboard solution."
