

1. CHALLENGE

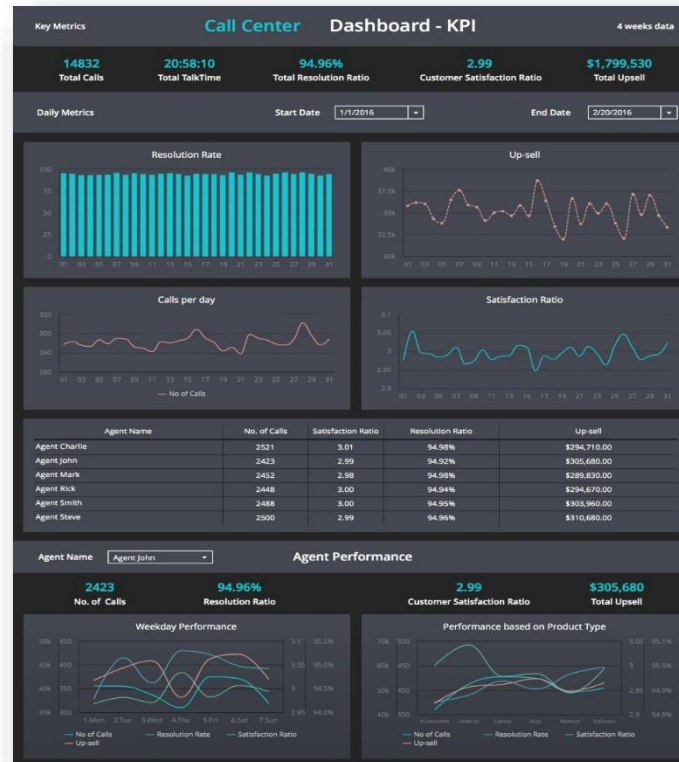

Making everyone accountable

This company tracks a wide range of metrics, including overall productivity, goal vs. actual, job costs and much more.

Problem: Spreadsheets are much too cumbersome and make it difficult to extract key metrics and spot trends quickly.

2. RESULTS

Quick analysis and actionable insights
to all team members

3. EXPERIENCE

Karn, Director of Operations
@ Onsharp

“ClicData has been a huge time saver for us. We have already created over 70 dashboards and each person knows exactly how they are making an impact.”
